Notes: Two 3000 or 4000-level courses may be used towards the degree if taken for a letter grade. One 6000-level elective may be taken pass/fail and still count towards the degree. Electives are taken throughout the program. Program Requirement courses unfinished upon matriculation can be used towards electives if at 3000-level or above. Technology course options are listed on the graduate page at: <http://www.inta.gatech.edu>. Students must achieve a grade point average of at least 3.0 to graduate, and no course below grade C will count toward graduation.
